MERRIMACK COUNTY DELEGATION

January 13, 1960
Merrimack County Court House
2:00 P. M.

The Executive Committee of the Merrimack County Delegation was held at the Court House on the above date.

Members present: Sargent, Lessels, Gilman, Charland, Davis, O'Neil and Phelps.

The County Treasurer, Rainie, and Commissioner Jordan were present.

Under the new law, the borrowing of money by the County Commissioners do not have to petition the Superior Court.

Under the new law, the County Executive Committee will perform this duty. R.S.A. 29:8.

After some discussion as to the amount to be borrowed (\$400,000.00) the following motion was passed. Moved by Charland, seconded by Sargent that the Treasurer be authorized to borrow a sum, not to exceed \$400,000.00 in such amounts as needed during the year 1960.

Adjourned at 2:45 P. M.

VICTOR E. PHELPS, *Clerk.*

Merrimack County Home
11:00 A. M.

The Executive Committee of the Merrimack County delegation was called to order by Chairman O'Neil.

Members present: Lessels, Sargent, Comi, Gilman, Charland, Mulaire, Buntten, O'Neil, Plourde, Hanson, and Phelps.

Commissioners present: McIntosh, Morgan and Jordan. Superintendent and Matron: Mr. and Mrs. Treloar also present.

The purpose of the meeting was to hear the Report of the Commissioners regarding Receipts and Expenses during 1959.

New books for the Register of Deeds will have to be purchased this year.

Repairs to Photo Machine will have to be done by the county. Previously this was done by the photo machine company.

County Attorney Stanley to make inquiries as to why Merrimack County has to pay for the care of Uphaus.

The county tax could be reduced by about \$30,000.00 if the budget is approved as recommended by the Commissioners.

Mr. Treloar stated that the Farm will raise more beef in 1960 than in 1959. He also reported the corn crop was very good during the past year, also the hay crop.

Mr. Fenton, of the Extension Service, explained the contemplated increase in salaries for 1960.

Old age assistance funds furnished by the state are very low. The county will have to supply additional funds to make up the difference.

Board and care of Children Expense might have to be increased from \$40.00 to \$50.00 per month. Additional amounts for clothing and medicine are in addition to board.

Any increase to be acted on later.

After some discussion it was voted that the amount paid for Care and Board of Children be advanced to \$42.50 per month during 1960 and to \$45.00 in 1961.

Voted that interest on borrowed money be reduced by \$500.00. Amount asked by the commission was \$6,000.00. The new figure to be \$5,500.00.

After considerable discussion regarding payment for Sprinkler System, it was voted to pay the full amount from surplus funds instead of over the period of four years as previously voted. Thereby saving considerable interest.

Extension Service Budget to be acted on by the Delegation.

The budget, as requested by the Commissioners, was adopted with a few minor changes as noted.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire the Board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent and Matron of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Attorney, Chaplain, Sheriff, Auditors, and County Extension Service for the year ending December 31, 1960.

We also desire again this year, to express our appreciation of the work by the Federated Business and Professional Women's Club of Concord and to the Kiwanis Club, also of Concord, who provided a most successful Yuletide party at the County Home.

This year the Sprinkler System at the County Home, Hospital and Administration Building was completed and is now in operation. This resulted in considerable savings in insurance premiums as well as a substantial increase of insurance coverage.

We are very proud of the overall operations of the County Government and thank and commend all of the employees for their loyalty and devotion. We are especially pleased with the operation of the County Institutions and thank Mr. and Mrs. J. James Treloar and their staff for their untiring efforts.

As noted in the report of the Superintendent of the County Home even though the total expenses have risen steadily over the past years the actual cost to the taxpayers of Merrimack County has decreased. For the year 1958, the cost figure was \$130,000.00, 1959 it was \$124,000.00 and we are happy to report that for the year 1960 it has dropped to \$115,500.00. This has been

accomplished under some very tiring conditions. The entire staff are to be commended for their efforts.

The county expenses were kept within the total budget as set up by the Delegation and were able, by increasing income to show a surplus of \$25,000.00.

Respectfully submitted,

W. GRANT MCINTOSH, *Chairman*
WILLIAM T. JORDAN, JR., *Clerk*

REPORT OF COUNTY ATTORNEY

To the Commissioners of Merrimack County:

Following is the list of the number of cases handled by the office of the County Attorney during the period January 1, 1960 through December 31, 1960. The list itemizes the particular offenses and the number of such offenses in each category.

<i>Offense</i>	<i>No. of Cases</i>
Aggravated assault	4
Armed robbery	2
Armed assault	2
Bastardy	2
Breaking, entering and larceny	33
Desertion	5
Escape from confinement	4
Forgery	9
Fraud and false pretenses	4
Grand larceny	20
Habeas corpus petitions	1
Hunting accidents	1
Juvenile offenses	8
Sex offenses	8
Murder	1
Misdemeanors, including appeals	34
Rape	4
Reckless driving — death resulting	11
Sex psychopaths petitions	10
Transfers to State Hospital	5
Fugitives from justice	2
Extradition proceedings	1
Possession of narcotics	3
Possession of burglar's tools	1

Reciprocal support petitions, including non-support actions	40
Selling attached property	1
Civil actions by County vs. Town of Derry (still pending)	1
	<hr/>
Total	222

Numerous other cases, such as untimely deaths, autopsies and matters not brought to prosecution were also handled by the office of the County Attorney which are not included in the above listing.

1960 saw a general decrease in the number of criminal offenses committed in Merrimack County. This is an extremely pleasant situation, and perhaps the handling and disposition of criminal matters in Merrimack County is beginning to bear fruit.

There is presently pending before the Merrimack County Superior Court an action by the County of Merrimack versus the Town of Derry. It is presently being processed for transfer to the Supreme Court to determine the status of the County's claim to recover from said Town for aid furnished to a family with an alleged settlement in said Town. The question of law involved in the transfer will be interesting to all political subdivisions as it concerns the question of notice required to inform the town of alleged settlement that aid is being given to a family and that reimbursement will be expected from the town.

On November 13, 1960 a man died. This man was the bulwark of law enforcement in Merrimack County. His ability and integrity is as yet unequaled. The County has lost a fine law enforcement officer, and many of us have lost a valued friend. I refer to Sgt. Archie Merrill Brown of the New Hampshire State Police.

I express my sincere appreciation to Clyde R. Parker, Sheriff of Merrimack County, and his deputies, the State

Police and the City and Town law enforcement officials for their fine sense of duty and commend them for a job well done. I wish my successor, Attorney Paul A. Rinden, the best of success, and I am certain he will find his new duties and associations as pleasant as did I.

Respectfully submitted,

JOHN W. STANLEY, JR.,
Merrimack County Attorney.

*To the Honorable Board of County Commissioners
of Merrimack County:*

Gentlemen:

Nineteen hundred and sixty was a very successful year at the Merrimack Nursing Home. Again our income was up over the previous year.

Improvements for 1960 included: Continuation of our Painting Program. The second floor of the Nursing Home now has a new coat of paint. The Chlorinator was moved from the half-way house to the basement of the Nursing Home, remodeled and is now in excellent working condition. We were able to obtain from Surplus Commodities an Institutional Steam Pressure Cooker which was installed in our kitchen.

Our Occupational Therapy Program with the generous help of the Merrimack County Nursing Home Auxiliary has been very successful.

The House of Correction and Jail has been improved. A new counter in the Guards' Office and a new visiting room for the County Jail. During 1960 we started a Finger-Printing Program in cooperation with Federal and State Agencies. This program is working out well.

We wish to extend our sincere thanks to the many organizations — Churches, Salvation Army, Business and Professional Women's Clubs, Kiwanis Club, Merrimack County Nursing Home Auxiliary, 4-H Clubs, Boy Scouts, Girl Scouts, individuals, and all, for programs presented; donations of many articles such as books and magazines, tray favors, clothing and other items, have brought many pleasant hours to the residents. We extend our appreciation to the Catholic and Protestant

Clergymen for their full cooperation in giving their time for the spiritual help and guidance for everyone.

At this time we wish to express our appreciation to Dr. McLeod, Dr. Shaw, and to our Staff for their splendid cooperation. It has been a pleasure to work with the County Commissioners, with their able advice and cooperation helping everyone to make 1960 a successful year at the Merrimack County Nursing Home.

LOIS M. TRELOAR, R.N.,
Matron.

J. JAMES TRELOAR,
Superintendent.

PROTESTANT CHAPLAIN'S REPORT

To the Commissioners of Merrimack County:

Gentlemen:

During 1960 I have conducted regular Services of Worship on two Sundays of each month and wish to note the very good attendance at Worship of members of the Home.

This is my first full year of service here, and this is a service which I count as a privilege and exceedingly rewarding. One of our aims during the past year has been to promote full participation of residents in the arranging and conduct of our Services. This has been successful. A fine altar has been put into use with a Cross and flowers have been used to beautify the Chapel for Services. Members of the Home have arranged seating, distribution of hymnals, and the opening of the Bible.

Regular Services of Holy Communion have been established; coming bi-monthly on the second Sunday. In the beginning, Deacons from the First Congregational Church in Boscawen, officiated at these, but for some time now, members of the Home serve as Deacons.

We are pleased with the gift of Hymnals which we have received from the South Congregational Church in Concord. These are a great help in encouraging full participation in the Services by the congregation. During the year gone, besides sending Deacons to the Home, the First Congregational Church in Boscawen has sent members of its Junior Choir, under the direction of Mrs. Mayford Emery, to sing at Services.

I have made visits to all members of the Home and to some of them when they were hospitalized in Concord

and other places. The response of residents to our Ministry is excellent — as is the support we have from our very cooperative Staff. I believe we have had a good year, and I look forward to a mutually profitable Christian experience during the year to come.

Respectfully submitted,

G. STANLEY KEAST,
Chaplain.

CATHOLIC CHAPLAIN'S REPORT

To the Board of County Commissioners:

Gentlemen:

Again, it has been a great privilege to act as Catholic Chaplain for Merrimack County Home and Hospital throughout this past year and the following is my report to you, the Commissioners of the County of Merrimack.

This past year, the Holy Sacrifice of the Mass was offered on one day of every month at the County Home. Visitations were made to those unable to attend the Mass, and the other Sacraments were administered regularly. Calls are made on the sick residents immediately and the Last Rites of the Church are administered to those seriously ill or dying.

I express my thanks to you the Commissioners and the Superintendent and Matron, Mr. and Mrs. Treloar. I would also like to express my appreciation to the Hospital Staff, to the General Supervisors, to the entire Nursing Staff and to all who, by day or night, have assisted me to bring to the elderly, the sick, the dying, God's Peace and Love.

May the blessings of Almighty God continue throughout this coming year.

Respectfully submitted,

REV. MICHAEL R. GRIFFIN, *Pastor*
St. Paul's Church
Franklin, New Hampshire

REPORT OF THE PHYSICIAN

To the Commissioners of Merrimack County:

Gentlemen:

It has been a very busy year at the Merrimack County Infirmary. We have had a great many acutely ill patients this year which have taxed our Nursing Staff.

Mainly due to the efforts of the Matron, we have an excellent Staff; which, because of the constantly changing labor market, requires almost constant supervision.

Many new pieces of equipment have been added to the Infirmary which are primarily for the comfort of the patient.

At the present time, all available room is being utilized. We have a waiting list which is growing longer every week. The Nursing care problem throughout the state is an acute one at the present time. It is possible that in the near future our facilities may have to be increased.

I would like to thank the Superintendent, the Matron and the excellent Nursing Staff for their cooperation.

Respectfully submitted,

J. K. McLEOD, M.D.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

June 20, 1960

Board of County Commissioners
Merrimack County
Concord, New Hampshire

Gentlemen:

In accordance with the provisions of Chapter 71, Section 27, of the Revised Statutes Annotated, an examination and audit of the accounts of Merrimack County for the fiscal year ended December 31, 1959, has been made by this Division. Submitted herewith is the report of this audit including Exhibits as hereafter listed. A statement of Indebtedness, Valuation and Taxes, covering a ten year period, is presented in Table I.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of County Commissioners, County Treasurer, Clerk of the Superior Court and Superintendent of the County Farm.

Financial Statements

Comparative Balance Sheets:

December 31, 1958-December 31, 1959 (Exhibit A)

Comparative Balance Sheets for the fiscal years ended December 31, 1958 and December 31, 1959, are presented in Exhibit A. As indicated therein the financial condition changed from a Net Debt of \$3,323.25 to a Surplus of \$34,172.60, in 1959.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition during the year is made in Exhibit B with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt (Increase in Surplus)

Deficiency Appropriation made in 1959 a/c	
Deficit of 1958	\$23,710.96
Net Budget Surplus	20,081.34
Increase in Accounts Receivable	9,808.33
	<hr/>
	\$53,600.63

Increase in Net Debt (Decrease in Surplus)

Increase in Accounts Payable	16,104.78
	<hr/>
<i>Change in Financial Condition</i>	\$37,495.85

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a revenue surplus of \$14,447.34, plus a net unexpended balance of appropriations of \$5,634.00, resulted in a net budget surplus of \$20,081.34.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of the receipts and expenditures of the County, made up in accordance with the uniform classification of accounts, for the fiscal year ended December 31, 1959, is presented in Exhibit E.

Accounts of Commissioners and Treasurer

All orders issued by the Commissioners and Clerk of the Superior Court during the fiscal year were examined and compared with corresponding entries in the Treasurer's records. Supporting invoices and payrolls were also examined and the classification of expenditures noted. Proof of the Treasurer's balance as of December 31, 1959, is shown in Exhibit G.

Clerk of the Superior Court

The financial accounts and records of the Clerk of the Superior Court of Merrimack County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

County Farm

Receipts of the Farm from the sale of dairy products, livestock, produce, and from boarders were checked by source through the triplicate receipt forms. All receipts of the Farm, as recorded in the cash book, were properly accounted for by the Superintendent through deposits in the bank to the credit of the County Treasurer's account.

A summary statement of receipts and expenditures of the County Home and Hospital for the year 1959 is presented in Exhibit F.

General Comments

Sprinkler System:

The County Delegation at their meeting held on May 25, 1959, voted for the installation of a sprinkler system at the County Home. At that time it was also voted to

include \$5,000.00 for this purpose in the 1959 budget, and to pay the balance of the cost of installation over a four year period.

However, when the 1960 County Budget was adopted, the total amount of the balance due on this project, \$16,104.78, was included as per vote of the delegation. This amount appears as an account payable item in the Balance Sheet of December 31, 1959.

Conclusion

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Merrimack County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*
Division of Municipal Account-
ing
